

McCausland Center for Brain Imaging (3T MRI) Parking/Directions

Revised 4/11/19

Our MRI scanning center is located in the **Prisma Health Richland Heart Hospital** (formerly Palmetto Health Richland Hospital) which is located at **6 Medical Park Road, Columbia, South Carolina 29203**. There is free covered parking to the right of the entrance (see map below).

To find the McCausland Center for Brain Imaging (3T MRI):

- Enter the Heart Hospital main entrance and walk toward the back wall.
- Turn right and follow that hallway until you see a large set of windows on your right looking outside.
- The next door on your left is the McCausland Center for Brain Imaging – 3T MRI.
- Ring the lighted doorbell to let us know that you have arrived.
- Our phone # at the McCausland Center is 803-434-8219. Our USC Aphasia Lab phone # is 803-777-2693 if you need to reach us at any other time.
