Resources posted in Chat:

From Sara Wilcox to Everyone:

1995 Guidelines Amy referenced:

Pate RR, Pratt M, Blair SN, Haskell WL, Macera CA, Bouchard C, Buchner D, Ettinger W, Heath GW, King AC, et al. Physical activity and public health. A recommendation from the Centers for Disease Control and Prevention and the American College of Sports Medicine. JAMA. 1995;273(5):402-407.

From Justin Menina | Hawai'i Department of Health to Everyone:

<https://www.governing.com/transportation/how-a-public-health-approach-to-road-safety-could-save-lives>

This is an interesting article that expands upon the necessity for roadway design to factor a public health approach.

From Valerie Howard, MO to Everyone:

The states with higher rates on the previous map are very similar to the states that are part of "tobacco nation" (<https://truthinitiative.org/research-resources/smoking-region/eliminating-smoking-disparities-tobacco-nation>)
